Dear

Enclosed are order(s) denying variance(s) to operate for your air contaminant source(s) described therein. You are required to cease all emissions into the ambient air from these source(s) upon the effective date of these order(s).

Under Ohio Revised Code, Section 3704.04, 119.06, and 119.07, these order(s) will take effect on the date indicated unless you request an adjudication hearing within thirty (30) days of the date of issuance, as provided by Ohio Environmental Protection Agency Regulation EP-40-13. At an adjudication hearing you may appear in person, or be represented by your attorney, or by such other representative as is permitted to practice before this Agency, or you may present your position, arguments, or contentions in writing. At the hearing you may present evidence and examine witnesses appearing for and against you. Requests for hearings shall be in writing and shall specify the issues of fact and law to be contested. Requests for hearings shall be sent to the Hearing Clerk, Box 1049, 361 E. Broad, Columbus, Ohio.

Section 3704.99 of the Revised Code makes it a criminal misdemeanor to violate any order imposed by this Agency and subjects the violator to a fine of not more than \$10,000.00. Each day such violation continues after conviction is a separate offense.

You may, of course, file a revised application that will meet the requirements of the regulations of this Agency. If you have any questions, please contact the air pollution control agency to whom you submitted your application.

Sincerely,

Ira L. Whitman
